

## **-SLAP BRACELETS- WRAP OUR HEROS IN GRATITUDE**

Thank you for choosing to make Slap Bracelets for our troops! Each bracelet is simple to decorate and can be made by anyone over the age of five!

### **Where can I buy slap bracelets?**

You can purchase the bracelets from Amazon, Walmart, craft stores, and additional websites.

### **What size and color bracelets should I buy?**

Please purchase bracelets that are white so that the writing and decorations can be easily seen, and they should measure approximately 1" - 1 ½" wide and 8" – 8 ½" long.

### **What should I use to decorate my bracelets?**

When decorating your bracelets, we suggest using indelible markers such as Sharpies in all colors. You can also apply fun stickers and other flat embellishments, but they MUST be firmly attached. Please do not use items that protrude from the bracelets such as rhinestones, pearls, bows, etc. Remember that these bracelets will be sent to both men and women, so please keep them gender neutral so they can be worn by anyone.

### **What should I write on my bracelets?**

Since space is limited for writing, we suggest things like "Thank You For Your Service", or "You are my Hero", or "You make Us Proud", "Come Home Safe" etc. Please avoid all political and religious comments and icons ie: No crosses, scripture, political names or associations etc.

### **How many can I make?**

We'd like to include them in every Care Package so you're welcome to make as many as you'd like. Sorry, but we do not offer community service hours for slap bracelets.

### **How should I prepare my bracelets for shipping?**

When you send us your bracelets, please send them flat. You'll use less space in your box, and they are easier for us to ship!
